

BACK TO SUMMER FUN!!

Grand Haven is so excited to announce that we are getting back to our Summer games!! This year, our theme will be "Back to Summer Fun" as we are loading the activities calendar with all things summer fun to keep our Residents active. We plan on starting our summer games at the end of May but our May Activities Calendar is already full of great activities, such as getting our great music performers back outside!! We are so excited to have that talent back at Grand Haven and to enjoy the great weather while we listen!

For the month of May we are spotlighting Judith Ann (Hiatt) DeWulf. Judith grew up in Orion, Illinois with 2 brothers and 2 sisters. They all attended school in Orion and looked forward to traveling to Chicago for family vacations.

Judy loved dancing in the Quad City area and that is where she met her husband, Dave. They dated for about a year and half before they married. They lived on a farm just outside of DeWitt where they raised hogs, cattle and grain. Judy worked at Clinton County Case Management and then St. Joe's Church. Judy and Dave have 4 children: 3 boys and 1 girl. They loved going on trips to Duluth, Minn. to visit her sister and her family.

Judy has 7 grandchildren and her first great grandchild is on the way in May. She loves to go to all their ball games.

Judy joined us in February of 2020 and likes all the activities, meals and all the friendly people both working and living here.

Novel Coronavirus (COVID-19) Vaccine

Vaccination Update: In the past month even though the number of those vaccinated increases, our COVID-19 percent of positivity has gone back up, but as of today that is starting to go back down again. Currently the percent of those who are vaccinated is greater than 50%, but for herd immunity we need between 70-90% of everyone 16 years of age and older to be vaccinated. Please consider being vaccinated if you haven't already done so.

Visitation Update: We are allowing two in person visitors per resident, M-F 9am-7pm, and S-S 9am-4pm. Please continue to respect the safety of our residents and staff by wearing a mask at all times while in our facility. Each visitor is required to be screened upon arrival.
