# Senior on Spotlight

This month we are spotlighting Virgil "Bud" Eugene Dillon. Bud's grandparents took care of him and his sister Wava until Bud was 5 years old. Bud and his sister then came to live with their mother in Davenport. Bud's favorite memory was when he lived with his grandparents when a bull was loose from the packing company and it was running through their yard. Bud graduated from Davenport High School which is not Davenport Central.

Bud met his wife Delores at an A & W. His buddies bet him that he couldn't get a date with her. Lets just say he won the bet and that great love story lasted 63 years. Bud and Delores had 3 kids together Debbie, Terri and Jon. Every year they went on a family vacation. They traveled to 48 out of 50 states. Bud and Delores would also take all the grandkids to Adventureland every year in their motorhome. Bud and Delores both worked at the Rock Island Arsenal. Bud retired after 31 years and his wife after 33 years.

Bud has 8 grandchildren, 13 great grandchildren and 1 great great grandchild with 2 more great greats on the way. Bud enjoys fishing with them, trips to Adventureland and traveling the county to watch Iowa Softball.

Bud really enjoys the residents. He loves talking to everyone and sharing stories. He also loves that he doesn't have to cook, clean or do laundry.
