# Senior on Spotlight

This month we are highlighting Kathryn (Katie) Jean Weiskopf Dittmer. Katie has lived in the Eldridge area her whole life. She grew up on the family farm. Katie attended a one room school (Sheridan #3) with 11 other kids. They had one teacher for all grades K-8th.

Katie met her husband when she went to visit her sister in Davenport at the local drug store. Katie and her husband farmed for a living. They have three children; Rob, Suzie, and Tom. Some of her favorite memories with her family are staying during the summer at their lake cabin on Woman Lake in Minnesota. Katie has six grandchildren and 11 great grandchildren. She enjoys visiting them on birthdays and Christmas or whenever there is time. When asked about Grand Haven, she states she likes everything here...all the meals & all the care they give!

Happy Anniversary!!
