HAPPY
ST. PATRICK'S
DAY!!

Happy March Grand Haven Residents!

We are truly blessed to have such dear company to befriend here in our community. Springtime brings about new beginnings and gives us the chance to appreciate the little things in life. Take a look around and notice the new life in the gardens, the warm sunshine that is growing longer and longer every day. Someone said they have already seen a robin in our courtyards. I know that there was a happy go lucky fellow out there grilling on February 19th for a Happy Hour to spoil our residents for sure!

Fourteen years ago we completed our second phase expansion onto Grand Haven. We added 23 more Assisted/Independent living apartments, and we also added 12 Memory Care studios back in our "Moments" area of our building. The Alzheimer Association predicts that one in eight baby boomers will have some sort of dementia, Alzheimers, or memory impairments by the time they reach the age of 65. There is a great need for quality programs to provide care for these individuals and that is why we put together our Moments Memory care at Grand Haven. We currently have 2 openings in our memory care area, and our mission is to enter each person's reality; to accept behaviors typical of the disease; and to provide an environment of low stress and stimulus to maximize each person's quality of life. It is within our grasp to make a difference, do better, offer education, learn more, and be a supporter for families. Come see us to see for yourself why Grand Haven is different from all the rest.

Welcome to Grand Haven

Judy enjoyed fishing with her family at their cabin on the Wapsi. Judy attended elementary school in a 1 room schoolhouse called Allen's Grove #1. Judy met her husband, Ronald, through a family friend and they lived on a farm just North of Donahue. Judy and Ronald have 2 girls. They enjoyed taking the family on trips all over the United States. Judy says they always had great trips as a family. Judy has 5 grandchildren and 7 great grandchildren and enjoys the time she gets to spend with them. Judy moved into Grand Haven in September and loves how it feels friendly and comfortable. Judy knows so many people here and has fun catching up with them. Judy enjoys keeping busy with the games and projects.
