Senior on Spotlight

This month our Senior on Spotlight is Henri Chapdelaine. Henri was born in New Bedford, MA., where his father worked in the Cotton Mills. He has 2 brothers and 1 sister. They spent a lot of time with his mothers family for cookouts and water fun at either the beach or the lake. In elementary school Henri attended St. Joseph's and then graduated from St. Anthony High School. This is such a cute story about how Henri met his wife Lillian. Henri was a Senior Class President and needed a date to the prom so his Aunt set him up with Phyllis but unfortunately she was not his type. Phyllis had a birthday party and invited Henri and some of his friends and there he met Phyllis's sister Lillian. Henri and Lillian hit off tremendously and after the 3rd date Henri knew he was going to marry her. After the Army, where he was a supply specialist, Henri worked in floor covering for about 60 years, he also owned and operated his own business for 23 of those years until he retired. Lillian was a stay at home mom and with 6 children that's a full time job. Henri and Lillian built their own camping trailer and some of Henri's favorite vacations with his family were going to Cape Cod and camping all over the US and Canada. He couldn't wait to load up with his family and of course the dog to go and enjoy the great outdoors. Henri has 13 grandchildren and 11 great grandchildren. He enjoys family get-togethers and talking to everyone on Facetime. What he loves most about Grand Haven is the wonderful people. The residents and the awesome staff who always take such good care of him. He likes having his own space yet being able to get out and socialize whenever he wants.
