Hello everyone...

I cannot believe that we celebrated 17 years at Grand Haven Retirement Community. We had an amazing quilt show showcasing the talents of many of our residents, BINGO, live music and a delicious lunch provided by our kitchen. Also a special thanks to all the wonderful basket donations we had for our basket raffle. It was such a fun filled day enjoyed by all. We recognized Hen and Sandy for their deep commitment of taking care of all of our residents for 15 years. We are looking forward to the final month of summer games where we are having a great time working together to win points for their team. Hard to believe that August is here but looking forward to everything that Hen & Renee have planned.

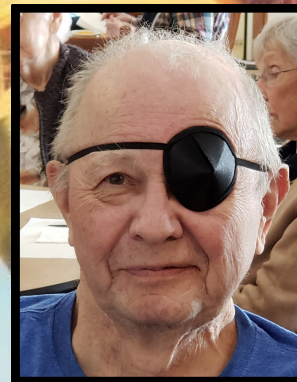

Welcome to Grand Haven

Senior on Spotlight

Hazel Lucile Elder Keller moved into Grand Haven in June of 2021. Hazel grew up in Baring, MO near Kirksville. Hazel lived on the family farm with 3 brothers and 1 sister.

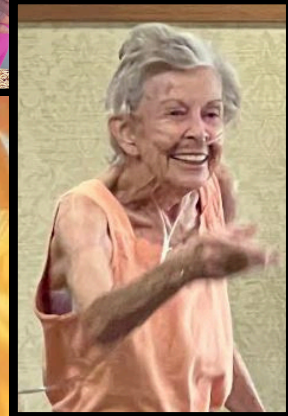

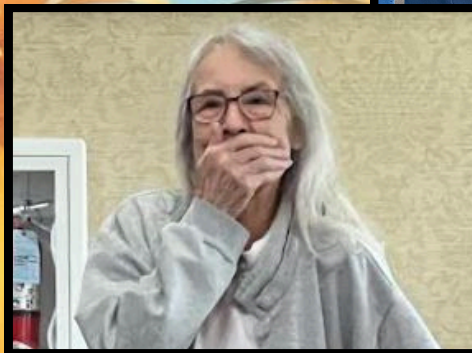

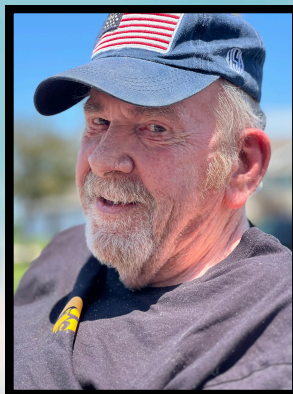

They grew crops and had livestock. Some of Hazel's most wonderful memories are being around her Grandparents, especially her Grandpa. Hazel went to school in Baring, MO. and loved going to all the basketball games. It was at one of these games that she met her husband, Vernon. Vernon and Hazel raised 4 sons and later adopted one of their Granddaughters when she was 7. Vernon was in Management for Bendix and then Oscar Meyer and still had time for farming. Hazel stayed home and raised the family so was also able to help with the farming chores. Hazel loved going camping, watching the kids grow up and then later in life going on trips to Texas and Florida. Hazel has 6 grandchildren and 9 great grandchildren. Hazel enjoys when they come and visit her. Hazel loves how good she is treated at Grand Haven. She likes the activities and going to different places. Hazel really likes watching the bus driver and how good she drives. Hazel was very excited about the quilt show we just had here, she has made some beautiful quilts.
