Welcome to Grand Haven

Please help us in welcoming our new Director of Nursing... Susan Wasson!!

Susan grew up in the Eldridge area, graduating from North Scott in 1986. Sue has been a nurse for 35 years. For 30 of those years she has been away from the area but moved back in the last 3 years. She has experience as a Case Manager, Director of Nursing and a Hospice Nurse. Sue has 3 boys: 30, 29 and 22, along with 2 granddaughters and 1 grandson. Sue lives in Walcott on a farm.

Please help us in welcoming our new kitchen manager... Ryan Terry!!

Ryan was born and raised in the Quad Cities and has been in the industry for over 20 years. He has worked at Gunchies, Grandma's kitchen and recently with his wife Kelsey owned their own restaurant in Downtown Davenport called Smashed Burger. Ryan has run several restaurants where he could develop a down home cooking that people appreciate. Ryan is working on a summer menu now to impress all of our residents. He and Kelsey have a 10 year old son and another due any day now. He enjoys traveling and long walks on the beach. We are very fortunate to have them here.

Happy Anniversary
