Welcome to Grand Haven

David Fuller

INTRODUCING BRADY DETERMAN

Originally from Camanche, Iowa, Brady Determan is our dedicated Maintenance Coordinator here at Grand Haven. He's been a proud member of the Eldridge community for the past four years, where he lives with his wife, Alison. The two have been happily married for two years and enjoy small-town life together.

Brady earned his degree in Communications from the University of Northern Iowa and began his career with Remington Seeds before finding his true calling at Grand Haven. An avid fisherman, Brady appreciates the quiet moments outdoors.

What Brady enjoys most about working at Grand Haven is the meaningful relationships he's able to build with residents. Whether it's fixing something around the building, lending a hand, or simply sharing a conversation, he finds deep satisfaction in being part of a community where he can make a real difference every day. His kind heart, strong work ethic, and willingness to go the extra mile are just a few of the reasons we're so glad to have him on our team.

SEPT 2025

From the desk of Happy Dan

As Summer 2025 quickly comes to a close, I can't help but smile thinking back on all the wonderful memories we've made here at Grand Haven Retirement Community. From the laughter shared during our Fourth of July and Father's Day celebrations, to the joy of our in-house activities that filled our days with purpose and connection—it's been a truly special season. A highlight was certainly the "Cheers to 18 Years" event, where we honored our incredible journey together.

I also want to extend a heartfelt thank you to all the amazing outside volunteers who donated their time and shared their knowledge with us. Your generosity brought so much light and warmth to our summer. Here's to the memories we've made and the community we continue to build together.

2025 Grand Haven Summer Games Winners!

After 10 weeks of fierce (and friendly!) competition, the results are in—and what a tight race it was! Congratulations to our Activities Team, who came out on top as the first-place winners of the 2025 Grand Haven Summer Games! Nursing claimed a strong second place, and Marketing rounded out the top three with a well-earned third.

A huge thank you to Hen and everyone who helped organize and run this amazing event series throughout the summer. Your hard work brought so much fun, energy, and team spirit to our community. And of course, a special shout-out to our incredible residents, whose enthusiasm and competitive spirit made every moment memorable. Until next summer—well played, everyone!
