

MOMENTS CORNER:

CHRISTMAS SPIRT AT GRAND HAVEN

NS GRADE SCHOOL CAROLING

On December 9th, we were delighted to welcome North Scott 4th, 5th, and 6th graders for a caroling concert. Our residents truly enjoyed having young, smiling faces fill the building and were so impressed by the students' beautiful singing. The experience was made even more special when the students stepped into the crowd to sing alongside our residents, creating a joyful and memorable moment for everyone.

CHRISTMAS DECORATIONS

Grand Haven became a winter wonderland this holiday season with over 100 beautifully decorated Christmas trees throughout the building. This took weeks of preparation, and a huge thank you to Hen, Simone, and all the staff who made it possible!

From the Desk of Happy Dan

December has brought a wonderful sense of warmth and celebration to Grand Haven, filling our community with joy throughout the holiday season. From the moment you step inside, it's clear how special this time of year truly is.

We were delighted to welcome children from local grade schools and middle schools who shared their Christmas music with us, filling our halls with the sounds of the season. We also enjoyed festive performances from local dance studios, whose Christmas shows brought energy, smiles, and holiday cheer to everyone watching.

Our annual Hallway Christmas Tree Scavenger Hunt was another favorite this month, giving residents and families a fun way to explore the building and connect with one another. Adding to the magic, Grand Haven is beautifully decorated with over 100 Christmas trees, each two feet tall or larger, creating a stunning winter wonderland throughout our community.

As we ring in the New Year, we look forward to all that lies ahead and the continued moments of joy, connection, and community here at Grand Haven. Wishing everyone a happy, healthy, and bright New Year. Warmly,

Warm wishes,
Happy Dan
